

Thames Valley District School Board

Our school is committed to providing all students with a safe, caring, and inclusive learning environment free from bullying and harassment that promotes respect, acceptance, and empathy.

Our staff, students, parents, and community will work together as a team to make our school safe and welcoming for everyone.

Safe and Inclusive School Plan

Ensuring Positive Learning Environments

 This year we are focusing on student voice and restorative practices.

We are doing this to see an improvement in building, restoring, and improving relationships as a foundation for student well-being and academic achievement.

Throughout the year, we will be:

1. Celebrating the diversity of our community to foster a healthy and positive school climate.
2. Creating a Student Unity Council to support student voice.
3. Facilitating workshops and PD for staff on Restorative Practices and to share student voice.

Community/Home Connections

Ask your child(ren) to use their voice for advocacy & to participate in engagement opportunities that encourage an increased sense of belonging.

Encourage having open discussions about learning, making connections, and mental health.
